showing improved form, the St. Simons were failing to go ever as good as they did in their five ap-pearance. The Manitoba represen-tatives bad a one-goal lead starting the match and after they had scored the first two goals Friday, Toronto lost "pep" for a time. With the game 2-0 against them at the end of the first period the Toronto boys stepped out and tied the count. "Pat" Nar-valansky then got busy and slammed in three goals which made the score a three goals which made the score -2 for Winnipeg at half time. Each ide scored once in the third session, naking the score 5-3 starting the 181 20 minutes of play. The On-ario tribe throatened to overtake the locals when Dopp scored soon after play was resumed, but the issue was settled when Narvalansky and Sparrow each tilled for 'Pegs. It was a great win for Winnipeg as it clearly proves that the calibre of local lacrosse has gretly improved during the last few years.

# THE BIG FOUR IN GOLF GAME

The Big Four in amateur golf, ar-rayed as Evans, Oulmet, Travers and Gardner, have been draving their share of trouble in the last few years. Two of them, Evans and Gardner, came bounding through to the final round in 1916. But at Detroit in 1916 and in Oakmort in 1919 most of them came upon early trouble. At De-troit, Evans, Travers and Ouimet were dropped by the second round. At Oakmont all four were stopped by the third round.
