

Kelvin Shades Gordon Bell Gridmen, 12-7

Fumbles by the Bushel As Southsiders Score

Taking advantage of the numerous breaks which came their way, the inexperienced Kelvin Kates turned back the highly rated Gordon Bell Panthers of coach Bill Boivin 12-7, last night at Osborne Stadium as the Inter-High School Football league moved into its second week before close to 3,000 shivering spectators. The victory lifted the Kates into a first-place tie with the defending champion Daniel McIntyre Maroons who swamped St. John's Tech Tigers 22-0, in the league opener last Friday.

Wednesday night, at Osborne Stadium, Isaac Newton and the league's new entry, Technical-Vocational make their initial appearance, starting at 8 p.m.

The Kates, under the direction of Jack France and Tommy Ford, tossed a fast-running club at the Panthers, scrapping the much-used T formation for the single and double wing. Kelvin sent fellows like Billy Mann and Jack Robertson around the ends and through the centre with good results.

These two boys, assisted by quarterback Keith McCord and umpire Gordon Bell fumbles did much to thwart the Panthers best efforts.

Gordon Bell, operating from the T formation, came up with a rash of fumbles, penalties, and other miscues in the first half to literally hand Kelvin their victory. The Clippers raced away to an early 7-0 lead in the first quarter, increased it to 12-0 midway through the second quarter and were enjoying a 12-6 margin at the close of the first half. Both teams settled down somewhat in the second half with Gordon Bell tallying their final point on the last play of the game.

The Panthers fumbled on the kickoff but recovered. After doing the same on the first two running plays it was Kelvin's ball on the Panthers one-yard line. Keith McCord recovering Frank Metcalfe's giveaway. On Kelvin's first handling of the ball, Jack Robertson went over for a touchdown. Al Maxwell, who drops back from his end duties to take care of the Kates' kicking chores, left-footed at that, converted and Kelvin went out in front 6-0.

Gordon Bell fumbled again the next time they handled the ball, Kelvin's Dick Herberston recovering on the Panthers 25. After two running plays failed Maxwell kicked one to the fence for a point.

Minutes later Billy Mann scooped up still another Gee Bee fumble and raced 40 yards into paydirt but the officials called it back ruling a fumble.

KELVIN ON THE MARCH: Kelvin's Jack Robertson, who had a big night as Kelvin defeated Gordon Bell 12-7 last night in the Inter-High School Football league, scored his team's first touchdown and ate up plenty of yardage the remainder of the evening, is pictured making some of that yardage as he finds a big hole in the Gordon Bell front wall.

ing a whistle had gone before the fumble.

The Kates got that back early in the second quarter on another Panther miscue. Keith McCord blocked Garth McRae's attempted third-down punt which was recovered by Laurie Wilcox. Wilcox was in the clear at the time but stumbled on the Panthers 25.

With Robertson, Mann and Al Thompson carrying the ball it was a first down on the two from where Thompson went over centre for a major. Thompson's convert attempt was blocked and Kelvin were ahead 12-0.

A Kelvin fumble eventually led to Gordon Bell's first and only touchdown in the waning minutes of the second quarter.

Gordon Bell recovered on Kelvin's 25 but after reaching the three the Panthers lost the ball on downs. However the Kates were forced to kick from behind their own goal line and Maxwell's punt went out of bounds on his own 30. McRae tossed a pass into the arms of Gerry Peterson and the Panthers were on Kelvin's 5 from where George Moore swept around the right end for the score. Keith Bodley converted and the Panthers were back in the ball game. The first half ended with Kelvin ahead 12-6.

Both clubs had few chances to score in the second half with most of the play being at mid-field. Both lines tightened up, the backfielders enjoyed better success at holding onto the ball and as a result the brand of football improved immeasurably to that of the first half.

Gordon Bell did do a little pressing in the third quarter after recovering a Kelvin fumble but they went nowhere. The Clippers had much the best of it in the final quarter as their running attack started to perk once again, led by

Mann and Robertson, but the attack fizzled.

On the last play of the game, Bill Owens hoofed one over the goal-line resulting in Robertson being roused.

Linesman Bud Irving forgot he wasn't playing the game anymore and wound up with a nasty head wound in the second quarter. . . . Gordon Bell were having trouble with their substitutions and as a result the Panthers found themselves with only 11 men on the field at times. . . . Both schools came up with a dozen or more cheer leaders to add a little color to proceedings. . . . The boys handling the yard sticks and the down box were having their troubles too. . . . McCord, Maxwell, Robertson, Wilcox, Mann, Thompson and Herberston were standouts for Kelvin with Walton, Savage, Peterson, Owens, McRae and Bodley turning in useful chores for Gordon Bell.

Kelvin — Culchiesky, McLean, Berger, McCord, Maxwell, Robertson, Dowler, Swail, Meadmore, Bates, McQuitty, Kalcza, Wilcox, Mann, Hall, Cribbs, Bilton, Brady, Thomson, McKean, Herberston, Riley, Jefferson, D. Baseball Anti-Trust Violation Is Charged

CINCINNATI, O. — Organized baseball was accused Monday of depriving Detroit of a second major league club, and the Pacific Coast of major circuit status. The allegations were made in an amendment to a federal court action brought by Jack Corbett and the El Paso, Tex., club. They seek \$300,000 damages, contending violation of anti-trust laws in connection with a ruling depriving them of seven players from Mexico.

"The right of reservation has created a monopoly exercised by the major league club owners," the amendment charges, after pointing out that consent of all owners in a major league is necessary before a franchise may be transferred.

"The Pacific Coast is deprived by these private agreements of major league status," it continues, adding:

"Detroit, with the intervening growth of the motor vehicle industry, should have a second major league club."

"The existence of the monopoly over major league baseball has its source in the reserve clause; the effect of this monopoly works against the public interest," Corbett charged.

Corbett and the El Paso club brought the action in Judge John H. Druffel's court after being deprived of the services of the Mexican players.

Judge Druffel said he will hear arguments in the case Oct. 8.

UTICA, N.Y. — Federal Judge Stephen W. Brennan Monday directed Jim Prendergast, former pitcher for Syracuse Chiefs, to file a new complaint in his \$100,000 suit against organized baseball. Brennan said that the 23-page complaint served on seven of nine defendants did not limit the cause of action, was not concise enough, and listed unnecessary allegations. The 33-year-old Prendergast, a veteran lefthander who balked at signing a 1951 contract with the International league club, is attacking baseball's reserve clause. Brennan acted at a pre-trial argument on two of five defence motions for dismissal of the suit.

Weston Battles Rods Tonight

Two clubs who went down to defeat in their first outings, Weston Wildcats and the Rods, clash tonight at Osborne Stadium as the Junior Football swings back into action.

The highly fancied Wildcats dropped the league opener to the defending champion W.L.L. while the Rods bowed to the league's new entry St. Boniface Kiwanis.

Lacrosse

'Pegs No Match For Mimico Squad

BRAMPTON, Ont. — Mimico Mountaineers romped to an easy 20-9 victory over Manitoba All Stars Monday night for their second straight win in their best-of-five Canadian junior lacrosse final for the Minto Cup.

Third game will be played here Wednesday night, with the fourth and fifth games if necessary on Friday and Saturday.

Twelve of Mimico's goals were scored by their imports — Derry Davies of St. Catharines, and Hook Batley and Lou Nickle of Peterborough.

The Eastern team led from the start. By periods it was 8-2, 12-4, 15-7 and 20-9.

At one time in the final quarter the penalty box was crowded with seven players—four of them banished from the game with majors for fighting. Defenceman Jim Palmer of Manitoba and defenceman Bill Lubbock of Mimico touched off the roughhouse and drew five-minute sentences. Shortly after, with tempers running high, Fred Sandford, another Mimico defenceman, engaged in a stick-swinging duel with Cliff Hamilton, Manitoba forward and they drew majors.

Top man for the Westerners was Bill Weilligan with three goals. Doug Smallwood had two, with singles going to Lorne Christianson, Lionel Nerrick, Palmer and Ron Arklie.

Davies placed Mimico with six counters and Batley had five. Fraser Rock and Don Meeke each had a pair. Nickle, Jim McNeil, Bill Riley, Fred Sandford and Bill McLean rounded out the scoring.

MANITOBA — Goal, Hicks; defence, G. Christianson, L. Christianson, Rover, Hamilton; centre, Neubauer; forwards, Merrick, Smallwood; alternates, Woolley, Palmer, Letch, Archie, Weilligan, Wozniak, Goudreau, Nicholas.

MIMICO — Goal, Ponchishen; defence, Lubbock, Baragar, rover, Nickle; centre, Rock; forwards, McIntyre, Davies; alternates, Meeke, Riley, Sandford, Batley, McLean, Vener, Mitchell.

"Headache?.. take a Disprin"

Why DISPRIN? Because DISPRIN is soluble and substantially neutral. When taken in water as recommended, it enters the stomach as a true solution and not as undissolved particles. It is therefore less liable to cause stomach discomfort.

DISPRIN is readily absorbed. Because it definitely dissolves (not merely disintegrates) DISPRIN permits speedy absorption and gives fast relief.

DISPRIN is palatable. Even children will take it readily.

DISPRIN SAFE SPEEDY PLEASANT
... FOR PAIN RELIEF

Science Progresses
For 50 years we have used little white tablets—acetylsalicylic acid—for relief of pain. Today this familiar pain-killer is available in a new form without the disadvantages of acidity, insolubility and bitter taste. It is called 'DISPRIN' and is sold at druggists everywhere.

DISPRIN is available in bottles of 26 tablets or Handy Packet Folders of 8.
